

ENROLMENT GUIDELINES

Holy Spirit School forms part of the Pine Rivers Catholic Community. As leader of this community the Parish Priest, Fr Rogasian Msami C.S.S.P., has an interest in all who seek enrolment at the school and aims to keep informed of the progress of such applications.

After lodging an Enrolment Application and paying the Application Fee, parents will be advised of an interview time to meet with the Principal. Proof of age is required for enrolment.

Should it be necessary to limit the intake of pupils to Holy Spirit School, then the following criteria will be used:

1. Baptised children of the Parish.
2. Children who have other family members in the school.
3. Baptised Catholic children of other parishes.
4. Children of parents who support the philosophy of Catholic Education

Catholic children with special needs will be enrolled in accordance with Archdiocesan Enrolment Application and Support Procedures for Students with Special Educational Needs. Disclosure of special needs at the time of enrolment is required to ensure that the school can cater for the needs of the child.

If an application for enrolment is accepted, it is understood that parents undertake to comply with the philosophy and rules of the school as set out in the Parent Handbook and agree to pay such fees and mandatory levies as set by the local authority.
