

## **Rationale**

School Fees and levies at Holy Spirit School are used to provide a high quality of education for our students, Our School Fees are based on the recommended fee advised by Brisbane Catholic Education Office in conjunction with allowances for educational cost increases and local context. They allow for the provision of:

- Servicing loans for capital and technology projects;
- Teacher support, administrative support and ground staff;
- Essential resources and facilities;
- Maintenance of buildings, grounds and equipment;
- Addressing the shortfall from government payments to Catholic schools

## **Aims**

- To ensure fee collection rates enable the ongoing provision of quality Catholic education for all students.
- To ensure all members of the school community are treated with fairness, compassion and justice in the process of payment and collection of fees.
- To ensure that all parents and guardians are well informed about expectations in regard to fee payment and collection procedures.

## **Fee Payment**

All families pay fees at Holy Spirit. Continuing enrolment at our school is conditional upon the payment of school fees, levies or, if appropriate, a concessional rate. Fee payment is a matter of justice and equity.

- It is expected that school fees will be paid by the due date, which is two weeks after fee statements are issued. The due date for the payment of fees will be shown on each school fee account raised.
- On expiry of the due date, a school fees account reminder for the new period will be forwarded which will highlight the amount overdue.

## **Fee Collection**

- If no suitable response to the above is received by the end of one week after the fees reminder, the matter will be passed on to the Principal for consideration.
- If no suitable response has taken place, the Principal will pass the account to the firm employed for debt collection for them to pursue payment. All costs associated with debt collection will be passed onto the family concerned.

## **Fee Concessions**

- A family experiencing difficulty with the payment of fees may seek concessions.
- Fee concessions will be determined on the basis of a just and equitable formula using a Brisbane Catholic Education means testing template.
- Any reduction in fees granted must be evaluated in terms of the financial needs of the family concerned.
- All families requesting assistance will be interviewed with a view to determining a just and equitable fee which is within their ability to pay.

- All special fee concession agreements become void at the end of the period for which they were negotiated. This necessitates a separate application and interview to obtain fee concessions at the beginning of each school year. There are pastoral benefits in this approach.
- Families needing concessions should apply directly to the School Principal, using the above mentioned concession form.

## **Tuition Fees**

- Annual fee rates will be set, in consultation with the School Board, at the level required to allow the efficient operation of the school.
- All tuition charges will be incorporated in the school fee.
- Tuition fees are inclusive of student accident insurance, excursions, sport and elective programs, dance and visiting performances.
- They do not include the Year 6 or the Year 5 camps which will be invoiced separately.

## **Levies**

### **Capital Levy**

Since January 1, 1998, Pine Rivers Parish has not provided a facility for tax deductible building fund donations. All families with children at the school will be required to pay a capital levy to contribute to building costs. As a compulsory charge, this is not eligible for tax deductibility. The Capital levy replaces the 'Building Levy'.

### **P&F Levy**

This levy is to reduce fundraising requests which may put strain on the family budget. The P&F will use the levy to buy resources for the school or to implement agreed school projects.

### **Technology Levy**

This levy pays for the school's Technology Resources.

### **Mathematics and Literacy Levy**

This levy is used to purchase appropriate textbooks, online apps

### **Maintenance Levy**

This levy contributes to the on-going maintenance of the school.

## **Payment Options**

- Direct Debit is Holy Spirit School's preferred method of payment.
- Fees can be paid by cash, cheque, EFTPOS, direct debit or BPay.
